Our Inflatables

Edmonton Bouncy Castle is a leading provider of inflatable rentals for public and private events in Edmonton. We are dedicated to ensuring the safety and satisfaction of our clients and their guests.

In accordance with industry standards, it is important to ensure that all events utilizing inflatables are covered under the following guidelines:

- AEDARSA certification with certificates readily available on site during the event
- Adequate insurance coverage of \$5,000,000
- Equipment sourced from certified suppliers that meet North American standards
- Proper licensing and registration

At Edmonton Bouncy Castle, we take pride in ensuring that all inflatable products used for public events are approved for public use and feature officially licensed themes.

Should you have any questions or concerns, please do not hesitate to reach out to us. We are always available to assist you in any way possible.

Planning A Large Event?

For large-scale public events, let Edmonton Bouncy Castle handle your power requirements. Power needs are often overlooked and can have significant impact on the success of the event.

In order to effectively run multiple large inflatables, we suggest considering a robust towable generator that can accommodate the energy demands and has a sufficient fuel capacity to sustain the entire event. If you have any questions or require further information, please do not hesitate to contact us by phone or email.

Why Choose Us For Staffing Solutions?

For organizations that host public or private events, a hands-off solution is often preferred. Our event staff consists of trained professionals who are knowledgeable in the operation of all equipment and are skilled in ensuring compliance with established rules and regulations.

The presence of our event staff during the equipment rental period allows us to include your event under our insurance coverage. If you have any questions or concerns, please do not hesitate to reach out to us.

If you are a first-time event planner, our seasoned team is available to provide you with comprehensive planning support, from the initial stages to the successful completion of your event.

Foam Parties

Foam parties have become a popular choice for a wide range of events and occasions. At Edmonton Bouncy Castle, we offer a foam machine that can be used either with or without a pit.

To operate the foam machine, a power source and a water supply, such as a garden hose, are required. It is important to note that one bag of foam typically lasts for one hour of continuous operation.

GPS TRACKING

LIVE GPS TRACKING

Edmonton Bouncy Castle is pleased to announce the implementation of GPS tracking, similar to the popular ride-hailing app Uber. This new feature enables our clients to monitor the real-time arrival of our equipment at their public or private events. At Edmonton Bouncy Castle, we understand the significance of your events and strive to provide a seamless experience. By utilizing the latest technology available, we aim to ensure timely delivery of equipment and a stress-free experience for our clients.
